

Severn Stoke and Croome d'Abitot Parish Council

What Our Parish Council Website Does – and How It Helps You

If you haven't explored it yet, the new Severn Stoke and Croome d'Abitot Parish Council website <https://severnstokeandcroomedabitot-pc.gov.uk/> is an easy way to stay informed, get involved, and access local services. Whether you want to check the date of the next meeting, follow a planning issue, or find contact details - it is a good starting point.

What you'll find on our website: council meetings & minutes; parish councillors and contact information; planning applications; links to other councils where you can report things like potholes (report to county council) or flytipping (report to district council); news and local information including the latest Environment Agency flood bund updates; and reports & policies offering full transparency about how the council operates and how public funds are used.
