

# **We'd like to hear from you!**

**At the end of September and into early October, Parish Councillors will be visiting homes across the parish to have a short conversation with residents about the things that matter locally.**

We'd love to hear your views on what it's like to live in the parish and your feedback will help us understand what's important to residents and where the Parish Council should focus its efforts.

If you see us at your door, please answer if you can and take a few minutes to have a chat.

See overleaf for more information and other  
ways to provide feedback

## What topics will we be asking about?

- Local planning and development
- Footpaths, verges and the appearance of our parish
- Litter picking and keeping our community tidy
- Speeding and the use of the Vehicle Activated Signs (VAS)
- Safety, security and Neighbourhood Watch
- Our community and what you'd like to see more of
- How you'd like to see the Parish Council spending its budget

## Why is the parish council doing this?

The parish council is interested to understand what's important to residents, so that the feedback can be used to help shape future plans and how the parish council budget is spent.

It's also a great opportunity for members of the parish council to meet the residents that they represent!

## How much time will this take?

It's intended that this is a short doorstep conversation and not all topics may be covered. We want to listen, so the choice is yours to share what's important to you.

If we miss you when we call, you can complete a simple survey.

Scan the QR code or get a paper copy of the survey by contacting Lisa Stevens, Parish Clerk
